Dear Sir:

Responsive to the Notification of Non-Compliant Appeal Brief mailed June 29, 2011, Appellant re-submits the Appeal Brief herewith. In addition to missing the Related Proceedings Appendix, the Brief did not include the entirety of the Declaration under Rule 132 in the Evidence Appendix. Appellant's attorney's electronic file shows that the entirety of the 22 pages of the Appeal Brief, Evidence Appendix and Related Proceedings Appendix was in the PDF file that was electronically filed on June 16, 2011, but a review of the document on the USPTO web site shows that only the first 14 pages are on file. Appellant re-submits herewith the full 22 pages of the Appeal Brief, Evidence Appendix and Related Proceedings Appendix.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'P. Peterson', written over a horizontal line.
